Making Advising Work

OSU academic advising is a teaching and learning process dedicated to student success. Academic advising engages students in developing a plan to realize their educational, career and life goals.

http://oregonstate.edu/ap/NACADATeamVMG0101105.pdf

Student:

- Familiarize yourself with program and college requirements
- Understand polices and timelines
- Take responsibility for your academic success
Meet with an Advisor

- Attend a Group Advising Session at least once per year.
  - NOVEMBER 12, 2012, 5:30-6:30 pm

- Peer Advisor Walk-in Hours
  - They can help complete 2-year plans, answer questions about courses and curriculum and give general advice
    - Monday – 10-12 & 2-4
    - Tuesday – 11-12 & 1-2
    - Wednesday – 1-4
    - Thursday – 10-12 & 1-2
    - Friday – 11-12 & 1-3

- Schedule an appointment:
  - Online: [http://eecs.oregonstate.edu/advising/signup/](http://eecs.oregonstate.edu/advising/signup/)
  - EECS Office Front Desk
Important Tips

- Make sure you are completing the correct academic plan
- Double check course prerequisites
- Schedule your BacCore courses last. Use these courses to fill in where needed
- A typical course load for a full time student is 15 credits per term (excluding summer)

Use the following chart as a quick reference when scheduling technical courses (i.e. MTH, PH, ENGR, ECE, CS, etc.).

<table>
<thead>
<tr>
<th>If your OSU GPA is</th>
<th>Schedule this many Technical Courses per term</th>
</tr>
</thead>
<tbody>
<tr>
<td>Below 2.50</td>
<td>No more than 2</td>
</tr>
<tr>
<td>2.50-2.99</td>
<td>No more than 3</td>
</tr>
<tr>
<td>3.00 or above</td>
<td>No more than 4</td>
</tr>
</tbody>
</table>
Important Tips

- WR 121 – (Winter H-N, Spring O-Z)
- CS 161 – Has a Prereq of MTH 112
- CS 162 – Has a Prereq of CON = MTH 231

- Do you take PH recitations?

- Is MTH 232 required for PRO school admission?

- Last day to s/u or withdraw: Nov. 9th 5:00 pm!
My Degrees

Use My Degrees in conjunction with your 2-Year Plan to:

- See your plan in action
- Make sure that you are on track to graduate
- Ensure that transfer credits have been articulated properly

Watch video:
http://www.youtube.com/watch?v=6K2OrHVFHLA&feature=youtu.be
OSU Grade Requirements

- **Pre/Pro Coursework** – Must earn a “C” or better in all required courses.

- **Baccalaureate Core (BacCore)** – Can earn a “D-” or better in their baccalaureate core courses.

- **Satisfactory/Unsatisfactory (S/U)** – Up to 36 credits of BacCore courses **ONLY** can be taken as S/U (which means the grade won’t count in your GPA)

- If it counts in both the BacCore and Pre/Pro coursework, you still need a “C” or better!
How Important is my Transcript?

- Only 3-5 people will look at your transcript in your lifetime! (Which includes yourself, your advisor and the Registrar’s Office).

- Grad Schools and Companies care if you have a degree and your GPA.

- HR could look at your transcript but it is for verification purposes and not judgmental purposes. Engineers don’t look at your transcript.
Academic Standing and GPA Requirements:

1. Are assessed each term
2. All students must meet OSU requirements
3. Pro-School students must meet COE Requirements too

OSU Academic Standing (Pre-Core)

- Academic Warning - If a student has an OSU term GPA below 2.0, the student is placed on academic warning.

- Academic Probation – If a student has an overall OSU GPA (does not include transfer GPA) below a 2.0 and has been here for two or more terms, that student will be placed on academic probation.

- Academic Suspension – If a student is on academic probation and has an OSU term GPA below 2.0, that student will be suspended from the university.
Familiarize Yourself With Campus Resources

- Academic Success Center [http://success.oregonstate.edu/](http://success.oregonstate.edu/)
- The HUB- Academic Coaching [http://engineering.oregonstate.edu/students/coaching](http://engineering.oregonstate.edu/students/coaching)
