**Academic Advising**

Schedule an appointment online

- **Undergraduate students**
- **CS post-bacc online students**

or contact the EECS office (1149 Kelley Engineering Center, 541-737-3817)

**Advisors**

- **Gavin Hughes**
  - Professional Advisor
  - CS On-Campus Undergraduates
  - Gavin.Hughes@oregonstate.edu

- **Amy Vincnet**
  - Professional Advisor
  - ECE On-Campus Undergraduates
  - Amy.Vincnet@oregonstate.edu

- **Lizbeth Marquez**
  - Professional Advisor
  - CS & ECE On-Campus Undergrads
  - Lizbeth.Marquez@oregonstate.edu

- **Padma Akkara**
  - Professional Advisor
  - CS Online Post-Baccalaureate
  - Padma.Akkara@oregonstate.edu

- **Shannon Thompson**
  - Professional Advisor
  - CS Online Admissions Coordinator
  - Shannon.Thompson@oregonstate.edu

**MECOP Advisors**

Make Advising Work

OSU academic advising is a teaching and learning process dedicated to student success. Academic advising engages students in developing a plan to realize their educational, career and life goals.

Student:

- Familiarize yourself with program and college requirements
- Understand polices and timelines
- Take responsibility for your academic success
Meet with an Advisor

1. Go to your CS lab
2. Complete Mydegrees plan & Questionnaire
   • Plan until you get into PRO school (ending either in Spring or Fall term)
   • Choose all classes, even Baccore
   • Look up times for conflicts
3. Schedule an Appt. with Calvin
   • Through EECS Office (in person or call)
     • 541.737.3617
   • Online Scheduler:
     http://eecs.oregonstate.edu/undergraduate-students/advising/academic-advising

- Peer Mentor Walk-in Hours
  - They can help complete 2-year plans, answer questions about courses and curriculum and give general advice
  - M-F, 8 -12, 1-5
OSU Grade Requirements

- **Pre/Pro Coursework** – Must earn a “C” or better in all required courses.

- **Baccalaureate Core (BacCore)** – Can earn a “D-” or better in their baccalaureate core courses.

- **Satisfactory/Unsatisfactory (S/U)** – Up to 36 credits of BacCore courses **ONLY** can be taken as S/U (which means the grade won’t count in your GPA)
  - *Pick up/complete form in EECS Office, drop off for signature*

- If it counts in both the BacCore and Pre/Pro coursework, you still need a “C” or better!
Academic Standing and GPA Requirements:

1. Are assessed each term
2. All students must meet OSU requirements
3. Pro-School students must meet COE Requirements too

OSU Academic Standing

- **Academic Warning** – If a student has an OSU term GPA below 2.0, the student is placed on academic warning.
  - If on Warning, you will have hold placed immediately on your account. You will have to meet with Nova to have your hold removed. So if you want to change anything with your Winter schedule, you would have to have your hold removed.

- **Academic Probation** – If a student has an overall OSU GPA (does not include transfer GPA) below a 2.0 and has been here for two or more terms, that student will be placed on academic probation.

- **Academic Suspension** – If a student is on academic probation and has an OSU term GPA below 2.0, that student will be suspended from the university.
What if that is me?

TALK TO YOUR ADVISOR!
How Do I Withdraw or S/U?

- Both need to be done before Friday (5pm) of Week 7 (Nov. 15)

- You don’t need an appt to s/u – just pick up/fill out form in the EECS office

- Withdrawing does not require an appt. It is done online in your class registration. [http://oregonstate.edu/registrar/withdrawing-courses](http://oregonstate.edu/registrar/withdrawing-courses)

- If you would like to talk about Withdrawing, I would be happy to. Talk with financial aid about how this might affect their aid or scholarships, first AND remember the deadline!
How Important is my Transcript?

- Only 3-5 people will look at your transcript in your lifetime! (Which includes yourself, your advisor and the Registrar’s Office).

- Grad Schools and Companies care if you have a degree and your GPA.

- HR could look at your transcript but it is for verification purposes and not judgmental purposes. Engineers don’t look at your transcript.
Making a Plan

- Things needed to complete assignment:
  1. MyDegrees Open
  2. Correct 2-yr. plan - http://eecs.oregonstate.edu/undergraduate-students/pins-plans
  3. Course Catalog open

- Double check course prerequisites
  1. EECS 161 – co-req of MTH 112
     (EECS = on-campus, CS = online for some courses)
  2. EECS 162 – co-req of MTH 231
  3. EECS 261 – PRE-REQ of 162 & 231!
  4. ECE 271 ≠ CS 271
  5. WR 121 – (Winter H-N, Spring O-Z) *some sections don’t have restrictions
  6. COMM 111 – (freshman restriction) *some sections don’t have restrictions

- Find your CS course, and then your MTH course first! Schedule your BacCore courses last. Pick which Baccore courses you want for your plan!
Important Tips

- Do you take PH recitations?
- PH takes a lot of time; hwk. is very lengthy!

- Is MTH 232 required?

- Don’t take MTH 306 with another MTH course!

- DON’T move on in MTH if you do not pass your current course!

- Use the following chart as a quick reference when scheduling technical courses (i.e. MTH, PH, ENGR, ECE, CS, etc.).

<table>
<thead>
<tr>
<th>If your OSU GPA is</th>
<th>Schedule this many Technical Courses per term</th>
</tr>
</thead>
<tbody>
<tr>
<td>Below 2.50</td>
<td>No more than 2</td>
</tr>
<tr>
<td>2.50-2.99</td>
<td>No more than 3</td>
</tr>
<tr>
<td>3.00 or above</td>
<td>No more than 4</td>
</tr>
</tbody>
</table>
My Degrees

Watch video:

http://www.youtube.com/watch?v=6K2OrHVHFLA&feature=youtu.be
What if I want to Change Majors?

- Research your new possible major

http://catalog.oregonstate.edu/DegreeSearcher.aspx?formstate=undermajors

- Make an appt. with advisor in new major

- Declare UESP

- Remember changing major is just a form and can save you money next term.
When Do I Register?

- [http://catalog.oregonstate.edu/ChapterDetail.aspx?key=374](http://catalog.oregonstate.edu/ChapterDetail.aspx?key=374)

- Sophomores - 85-90 credits = Friday, Nov 22\textsuperscript{nd}

- Freshman – 10-14 credits = Tuesday, Nov 26th
Advising Next Term

- Email will be sent to your onid account – DO NOT DELETE!

- Next term, we may be doing appts. again, may not - Just pay attention to the emails from me!
Quiz #4

Get into groups of 4-5 and write down your thoughts about Brian Apgar’s gaming talk.

What did you learn?

How did this change your perspective on Game Creation in CS?
