Homework 4: Intel and Robots

Matthew Shuman

1 Intel

Find a news article about Intel operating in Oregon. Summarize the article here:

When was Intel founded? Who started Intel? How many employees do they employ in Oregon? How many do they employ worldwide?

2 Robotics at OSU

Find some information about Dr. Jonathan Hurst. Where did he go to graduate school? What's his area of research? Find 2 videos about his robot, ATRIAS, and summarize the videos here:
