CS 160
CS Orientation

Syntax vs. Semantics
Odds and Ends

• Continue to work on Assignment #3 posted
• Demo Assignment #2 this week
• Begin reading chap. 1 python book:
  • http://introcs.cs.princeton.edu/python/home
Tying your shoes examples...

- Not explicit enough
- Better instructions
- Complete/explicit instructions
Semantics vs. Syntax

• What are these words?
• Why is this important?
Syntax
Syntax and Semantics... Which is more important?
What does this have to do with CS?

• How is this like CS programs?
