Odds and Ends

• No Friday lab!
• No demo hours this Friday!
• Assignment #8 posted.
Python Strings vs. Lists/Arrays
2-D Array Demo...

- What is it?
- When would you use one?
Exercise #6: 2-d Arrays

• Get into groups. Answer the following.
• How would we change the gross pay program to have a 2-d array?
• How would you write get_pay_hours()? 

• Design your board setup and printing for Assignment #8/TicTacToe.
