Step-by-step tutorials

Do you need help?

Auto-helper to fix problems.
Physical Difficulties

- **Bigger & bolder-colored buttons for bad eyesight**
- **Menus instead of drop-down menus for low dexterity**
- **Drag & drop instead of complex movements.**

**Step 1:**
- Wash your hands

**Read out texts for users**
Click to make the app
read out your letter

Click to read the
letters you received

From John,
Nice to hear from you!

From John,
How are you doing?
